### GIANT PICK

Make up your own house rules, such as the youngest player going first, or that all players must use their non-dominant hand. In most versions of the game, the sticks are colored or painted differently to denote different point values.

### GIANT PICK

Pick up sticks rules vary from region to region, but in every version of the game a player turns end when they disturb another stick. The player with the most points wins.

### How to use pick up sticks

Players continue picking up sticks until their turn ends, and if a player picks up all the sticks, they retoss them and continue the process until their turn ends. Starting at 500 to 1000 points is standard. Stand one end of the bundle on the table and let it go so the sticks fall randomly.
