### FAST

Streams, rivers, and lakes all across the country are becoming cleaner. On February 3, 2021, the Council voted to approve the FY2020 Annual Report to Congress.

### Annual Reports of the Council

It also highlights some lessons learned from the financial crisis and outlines actions taken that could affect PCA, as well as additional steps to modify the PCA framework that could be considered.

### Reports to Congress and the President

Financial Report of the United States Government provides the President, Congress, and the American people with a comprehensive view of the federal government's finances, i. We have reduced federal subsidies for economic development which contributed to environmental degradation.

### Reports

First, we must create a more innovative and flexible regulatory and economic framework in which our environmental programs operate.

### Reports

As President and as an American citizen, I am deeply concerned that present and future generations be protected from the adverse health effects of toxic chemicals and hazardous wastes, that their water be fit to drink, their air fit to breathe, and that their natural resources be protected. We also strive for economic progress and the promise of a better life.
