What does situations mean?

If situations are particulars, so are events. Suppose someone watching the former game mistakes Emily for Claire, and claims that Claire has the three of clubs. The belief was challenged by work on temporal anaphora Kamp 1971, Partee 1973, Vlach 1973, van Benthem 1977, however.

Special Situation Definition

An International Handbook of Natural Language Meaning Volume 1, C. Secondary options are different for Attackers and Defenders. One of the potential problems discussed by Soames concerns attributive readings of definite descriptions.

Situation

Austinian topic situations can give us domain restrictions for attributive definite descriptions. Unconscious and close to death, he was pulled out by a stranger and taken to the local hospital, where he recovered. A passage that has been frequently quoted is the following, in which he defines the Theater of Situations: if it's true that man is free in a given situation and that in and through that situation he chooses what he will be, then what we have to show in the theatre are simple and human situations and free individuals in these situations choosing what they will be.

Difficult situations

Other areas where a situation semantics perspective has led to progress include attitude ascriptions, questions, tense, aspect, nominalizations, implicit arguments, point of view, counterfactual conditionals, and discourse relations. When an answer is interpreted as non-exhaustive, the proposition it expresses is understood as being merely true in the topic situations. Some have attempted to modify the Traditional View to insulate it from these challenges, while others have tried to show how these challenges fail to undermine the Traditional View at all.

How to Adapt to a Stressful Situation

There are obviously specific signs for many words available in sign language that are more appropriate for daily usage.

SITUATION (noun) definition and synonyms

Whatever the ultimate outcome may be, the following discussion will provide the opportunity to illustrate how the shift from possible worlds to situations affects the denotations we might want to posit for an expression. Thesis, Department of Linguistics, UCLA,.

Special Situation Definition

That those situations do indeed matter for belief ascriptions is illustrated by the story of the Butler and the Judge from Kratzer 1998 see Ogihara 1996, Kratzer 1990 Other Internet Resources , 2002, 2012; Portner 1992, Récanati 2000, for relevant work on the role of topic situations in attitude ascriptions and other embedded constructions : The judge was in financial trouble.
