An Essential History of Current Reading Practices / Edition 1 by Mary Jo Fresch

It may surprise some readers to find out that the battle between various top-down methods and synthetic phonics has been going on since the mid-nineteenth century. This method pays no attention to words as wholes until the elementary sounds composing them are learned.

A Brief History of Reading Instruction

Obviously, this procedure would work only for familiar words. If a child is to learn quickly and well, he must be given well-structured grapheme-phoneme instruction. An Essential History of Current Reading Practices describes the key research and trends that have informed, shaped, and given direction to reading education over the last half-century.

ne-x.uni.rf.gd: An Essential History of Current Reading Practices (9780872076181): Fresch, Mary Jo: Books

Her teaching experiences include 3rd grade, adult literacy, and pre-service teachers' literacy and children's literature methods courses.

A Brief History of Reading Instruction

In Whole Language programs, the emphasis is upon meaning-based reading and writing activities.
