### Camus, Albert

But it also reflects his capacity for interpreting a specific disagreement in the broadest possible terms—as a fundamental conflict of philosophies. The Cambridge Companion to Camus.

### Albert Camus Quotes (Author of The Stranger)

Camus poses a crucial question: Is it possible for humans to act in an ethical and meaningful manner, in a silent universe? Still, Jean-Paul Sartre saw immediately that Camus was undertaking important philosophical work, and in his review of *The Stranger* in relation to Sisyphus, had no trouble connecting Camus with Pascal, Rousseau, and Nietzsche Sartre 1962. Rebellion indefatigably confronts evil, from which it can only derive a new impetus.

### Albert Camus Quotes (Author of The Stranger)

David Simpson argues further that his humanism and belief in human nature set him apart from the existentialist doctrine that. That same year Camus also earned his degree and completed his dissertation, a study of the influence of Plotinus and neo-Platonism on the thought and writings of St.

### Camus (TV Movie 2010)

And it is often forgotten that this absurdist novelist and philosopher was also a political activist—he had been a member of the Algerian branch of the French Communist Party in the mid-1930s and was organizer of an Algiers theater company that performed avant-garde and political plays—as well as a crusading journalist.

### The 5 Best Albert Camus Books You Should Read and Why

But the injustice and the suffering of the world will remain and, no matter how limited they are, they will not cease to be an outrage. Accepting absurdity as the mood of the times, he asks above all whether and how to live in the face of it.

## **Albert Camus Books**

Its blind men entertain the puerile belief that to love one single day of life amounts to justifying whole centuries of oppression. But the true life is present in the heart of this dichotomy. Furthermore, in posing and answering urgent philosophical questions of the day, Camus articulated a critique of religion and of the Enlightenment and all its projects, including Marxism.
