Peace, Conflict, and Violence: Peace Psychology for the 21st Century

Systemic coaching offers solutions for many relationship difficulties. Express empathy is an essential component of social interactions.

8 Types of Internal Conflict and How to Find Peace of Mind ★ LonerWolf

Being together is something that is inherent in human nature. Human beings are, thus, naturally and inherently driven towards belongingness. These threats, mainly, are loneliness, isolation, and rejection.

The psychology of friendship and enmity : relationships in love, work, politics, and war (Book, 2013) [ne-x.uni.rf.gd]

Between the narrow and overarching are a variety of middlerange social contracts covering or involving a large amount of behavior, but not the whole society. Infants also tend to be emotionally unavailable. These three dimensions--in formal versus formal, implicit versus explicit, and subconscious versus conscious--concern the actuality of social contracts, whether they are a latent agreement underlying social behavior or a manifest compact of some kind.
