Among them, Xiao Han, a nephew of Shuli Ping, conspired against Shizong again in the following year. In the same year a bureau for compiling national history was established, which produced in 1085 for the first seven reigns.

Wei Liaozi

His invasion was undermined by a plot to dethrone him and install his uncle, Prince Chun.

Wei Liaozi

This was done largely to smooth over the process of inheritance. Through the treaty, the Liao dynasty forced the Northern Song to recognize them as peers and heralded an era of peace and stability between the two powers that lasted approximately 120 years. Aside from conflict with the Song, the Liao also experienced trouble with the in 973.
