Full text of of a journey through the upper provinces of India, from Calcutta to Bombay, 1824

Hamilton is the largest steamer that at present plies on the river. Printed and published by Benjamin F.

Sketches of America : a narrative of a journey of five thousand miles through the eastern and western states of America : contained in eight reports addressed to the thirty

Tickets had knowingly been sold for more passengers than could possibly be accommodated. There are religious laws that do not seem rational, rules that bind us and sometimes do not fit with our comfortable world. The 4th of July is a great American day, being the anniversary of their declaration of independence.

A narrative of a journey of five thousand miles through the Eastern and Western States of America

Some porpoises occasionally appeared, and whenever they did, the crew were sanguine in their expectation of having a speedy change in the wind, which had been so vexatiously contrary, but they were disappointed in every instance.

From Euston to Klondike : the narrative of a journey through British Columbia and the North

CHAPTER XI.

Sketches Of America : A Narrative Of A Journey Of Five Thousand Miles Through The Eastern And Western States Of America (1819)

The occoio, or river perch, termed also horn-fish, piccarel, or dorfe, is common, but is not so much esteemed as the attihawmeg. The sphagnum in which the child is laid, forms a soft elastic bed, which absorbs moisture very readily, and affords such a protection from the cold of a rigorous winter, that its place would be ill supplied by cloth.

Sketches of America [electronic resource] : a narrative of a journey of five thousand miles through the eastern and western states of America ; contained in eight reports addressed to the thirty

One of these over a torrent near Benares, of 160 feet span, stood a severe test during last year's inundation, when, if ever, the cordage might have been expected to suffer from the rain, and when a vast crowd of neighbouring villagers took refuge on it as the only safe place in the neighbourhood, and indeed almost the only object which continued to hold itself above the water. The fishermen at Beaver Lake, and the other detached parties were ordered to return to the post. In the creeks and bays of the visible coast they are said to swarm. The government of the United States is here represented by a small detachment of infantry, whose duties also comprise police and custom-house work.
