## Biography of Eoin MacNeill (Dictionary of Irish Biography)

While I was there I heard the men pointing out where I was and made a bolt for the laneway I am in now. Special permits were to be issued by the Royal Irish Constabulary, and would have been required to enter the city.

## February

The remaining 13,000 Irish Volunteers, led by Eoin MacNeill, were committed to keep their organisation intact and in Ireland until Home Rule was passed. Thus the six counties of Ulster would be left outside the scope of the Home Rule Bill. The third reading of it in the Commons was carried on 16 January 1913, but, defeated in the House of Lords a fortnight later.

## The National Collins22 Society

If there was a mixture of races, there was also no doubt more than one language, and if the Basque language has been able to survive the conquests of Celt and Roman and Goth, and last until our own time it may also well have survived the extinction of other languages in south western Europe. Over 400 insurgents sent to Britain to be interned; over 3,000 other suspects also arrested, of whom about half are interned 2 MAY Gun battle ensues between Kent family and RIC at Bawnard House, Castle Lyons, near Fermoy, Co.

## Photograph of Eoin MacNeill at his desk in the Accountant General's Office, Four Courts, Dublin.

Countess Markievicz, second in command to Michael Mallin at the College of Surgeons, was sentenced to death, but eventually reprieved due to her gender. The story of their wanderings through the world is itself a geographical description of the ancient world, based in detail on the geographical chapters of Orosius.

## Phases Of Irish History, by Eoin Macneill—a Project Gutenberg eBook.

Yeats leaves it to Heaven to say when enough is enough.

## **Navan Historical Society**

He exhorted them in private and assisted them in public to build temples, places of assembly, and houses. One section, called Bolgraighe, was the principal Rent-paying community of the ancient Tir Conaill, a territory of much smaller extent than the Tir Conaill of later times.

## **On This Day In History**

Brian Shaw was the real innocent victim in this case. They used to be worshipped, and it was they who invented the spells sung by smiths and druids and wise-women and pilots and cupbearers. The boys also had a radio set in operation and this led to a raid from the DMP.
