National Lean Day

Those who can't afford the public view and being viewed in public, then, occupy these private spaces.

I recommend this book to all the aspiring travellers, writers or avid readers. If his aim is to write, who will document his search for inspiration, and for love? He wants to write a novel, but doesn't think he has a story to tell.

National Lean Day

The protagonist travels through the country, to find his motivation to write his book about which he has no idea. The practice of Lent is less significant today, but the idea of fasting has remained, both for religious reasons and from a secular perspective.

Lean times

This week, simply add 50% more sets to your typical training plan.

Lean times

The book definitely speaks about lives someone like me would have never visited or even contemplated for that matter unless and through this book.
