Rockefeller Foundation

He holds a BA from Harvard University, where he graduated magna cum laude, and an MA in Urban Planning from the UCLA School of Public Affairs, where he was valedictorian and now serves as a Senior Fellow.

Fellows

Or it may begin with the people themselves, who have simply come to the end of their patience with their situation.

The Public Commission of the University: The Role of the Community of Scholars in an Industrial, Urban, and Corporate Society, The Public Historian

Taking on responsibility and leadership positions builds both a sense of efficacy and connectedness in the local population, and also puts their future where it belongs — in their own hands.

Rockefeller Foundation

She obtained her bachelor's degree in sociology in 1969 from Brandeis University and a master's degree in social sciences education in 1970 from Harvard University.

Fellows

A government agency might encourage groups to combine across ethnic or geographic lines in order to receive funding or training for health and community development projects. He currently focuses on community environmental health hazards, risk communication and community

empowerment.
