OIL

Former owner's name stamp on front pastedown sheet, else a near fine, bright, tight, clean copy.

Oil Field Exploration and Development; a Practical Guide for Oil

All over-sized books and all shipments outside the U.

OIL

It was the writings of A. Whilst we may not have a great deal to learn from America in regard to the geological and refining branches of the petroleum industry, there is no doubt that oil-field practice there is considerably ahead of that adopted by British oil-field. . . .
