Its men were either demobilised to fill critical civilian roles, or retained in the Army, as reinforcements for the Division in Italy or in the case of many of the Ordnance men, absorbed into New Zealand based Ordnance Depots to receive and refurbish the large amount of equipment returned from the Pacific. Later the Corps looked after the wounded here, provided concerts in the summer in the abbey grounds, and in the hospitals in the winter. And they were desperately needed.

WW2

Born Whaddon, Wiltshire, enlisted Devizes, resident Melksham.
