Dimashq (Place)

Joseph University, who apparently were paid high salaries, might explain the high cost there. In spite of its original artificiality, it became relatively easy for nationalists in Syria to foster national sentiment and national integration.

Staff View: Al

The exact amount of the subsidy is not known, but this amount constituted 37 percent of the university budgets that year.

New Arabic books

.

New Arabic books

He acknowledges that the French Mandate authorities, although generally eager to crack down on any kind of political and intellectual resistance, did not infringe too much upon the internal affairs of the university.

Dimashq (Place)

I am also grateful to Sibylle Appelt, who worked as a secretary in Erlangen for many years.

Dimashq (Place)

. Instead, I wanted to put into practice what I had learned from Thomas Philipp, namely to organize an academic conference as a social event where young and established scholars meet and engage in the discussion on a topic of common interest. He argues that the new states created by France and Great Britain were not mirror images of the European states, but rather sub-standard versions of them.
