Reputation From the later sixteenth century until the mid-nineteenth century, historians believed that Sebastian Cabot, rather than his father John, led the famous of the later 1490s, which resulted in the European discovery, or rediscovery after the , of North America. A few statements about the habits of the natives and the character of the soil and the fisheries make up the whole story.

Sebastian Cabot

Most historical accounts tell us that he and his ship were lost at sea. Pope, The Many Landfalls of John Cabot University of Toronto Press, 1997 , pp.

Age of Discovery: John Cabot the Explorer

When Cabot landed with his expedition in , however, he heard of the rumours of the great wealth of the and the nearly-successful invasion of. He dealt with the mutiny by marooning these men and other officers on Santa Catarina Island, where they are believed to have died.

Sebastian Cabot (explorer)

In 1515 Sebastian's friend Peter Martyr d'Anghiera wrote that Cabot was a Venetian by birth, but that his father John Cabot had taken him to

England as a child.

Bristol

In the turmoil afterward, no plans would be made for new expeditions, and Cabot returned to England.

Sebastian Cabot and Bristol exploration (Local History Pamphlets / Bristol Branch of the Historical Association): Quinn, David B: 9780901388650: ne-x.uni.rf.gd: Books

Like his father, Sebastian Cabot was an intrepid seaman. He had the support of Henry VIII and , and some offers of backing in money and ships from both Bristol and London merchants.
