However, in this case the culturally-informed readers of these magazines were being given the chance to read an entire script and, to boot, a never previously published Conrad work, written around a decade before and seen only by a small number of spectators during its sporadic production history.

Joseph Conrad

He developed a distinctive style that, through richly symbolic imagery and overly long sentences, constantly suggests complexity and emotional commitment. These novels of personal crisis and moral tragedy lead into the next group of narratives, the political novels *Nostromo* 1904, *The Secret Agent* 1907, and *Under Western Eyes* 1911, set in, London, and Russia, respectively.
