## Children and Divorce: How Grandparents Can Help

But then when the dad drives 50 More miles to pick up his daughter the mother drives away with her.

## What Makes for Successful Co

Older children might be angry or feel overwhelmed by the change. Deal with your feelings and emotions.

## Divorce: Most kids thrive better with this custody arrangement

Even seeing a counselor together, an option for when you can't work out a co-parenting dilemma by yourselves, could prove much more effective this time around. We both worked full time, and we were both hands-on parents with an egalitarian view of how the work of raising kids should be shared.

## DrIsarene's Blog

If she wants to be a good mother than do exactly that. When you read stats, you're looking at a group as a whole.

## STILL A FAMILY A GUIDE TO GOOD PARENTING THROUGH DIVORCE

I could never imagine a better co parent to my children, and I am so grateful that they are not being raised with a highly distorted view of marriage which is what they would have received had we stayed married. He will often decide the week of my weekend visitation to spout off demands such as I will bring him to your house Friday 9pm our normal time is 4pm because I have made plans with him. We do have several articles by Dr.

## Divorce: Most kids thrive better with this custody arrangement

I have found that he is a narcissist and has already moved onto to his next victim.
