Extracts from my travel journal follow.

List of Mongol rulers

Menurut berbagai perhitungan para ahli jumlahnya berkisar antara 90.

Invasi Mongol ke Baghdad 1258 M (2)

At a border garrison post, we confirm our plan to visit battle sites near the Mongolia-China border. I have the best room: two small twin beds, a tiny wooden desk and stool, an overhead fluorescent light, and a single wall outlet. Maka tak pelak, Baghdad berubah menjadi arena pembantaian paling brutal.

FOREIGN MINISTERS OF MONGOLIA AND DPRK MET

There is no public transportation to or in Khalkhin Gol.

Gabdhoo Soomaali ah oo ku guuleystay doorashooyinki ka dhacay Mareykanka

He takes us everywhere I want to go and then some, including battle sites that foreign visitors rarely see.

Mongolia and Kazakhstan to celebrate 750th anniversary of the Golden Horde

A few shops serve a small tourist season that lasts about three months a year. We come upon a small monument that I did not know existed: a stark gray slab on Remizov Heights marking the spot where Major I. That morning, the Soviets lost 180 armored vehicles, but halted the Japanese

advance.
