### Second

Senate in 1951 claimed the existence of a national crime group, the Mafia.

### 8 The Social Dimensions of Immigration

White on Arrival: Race, Color, and Power in Chicago, 1890-1945.

### Immigrant generations

More education was generally associated with less opposition to immigration, with larger differences associated with education in the high-immigration states and California than for the nation as a whole.

### The First Generation And The Second Generation Immigrants

Effective command no longer possible. Italian-American communities, increasingly composed of second-generation families by the 1950s, came in for further surveillance when government policy singled out southern Italians as the source of the nation's organized-crime problem.
