Europe in the 18th Century : Aristocracy and the Bourgeois Challenge by George Rudé (1985, Trade Paperback) for sale online

This is a very useful feature because it makes it that you don't have to read through all the text to find what you need. It discussed his life, from beginning to end, starting with his birth in Paris France, in 1694.

The website also goes on to talk about the lower class and the poverty it faced during the 1700s as well as a little of women's standing during the time. I was not too impressed by the book--in contrast to other books I have read in that series, e. These descriptions of the philosophers are useful because the site chooses to tell more about than just when and where they were born and when they died.

Europe in the 18th Century — George Rude

Aristocrats and bourgeois shared many values and interests in common, though they sometimes came into conflict.

Europe in the 18th Century: Aristocracy and the Bourgeois Challenge: Rude, George: 9780674269217: ne-x.uni.rf.gd: Books

The inevitable result is that many aspects do not get an adequate treatment, for example famines.

Europe in the 18th Century — George Rude

Normally there is a lower, middle, and upper class. This was underscored by having the new monarchs sign a Bill of Rights which placed limits on royal power, and required the assent of parliament in governing the kingdom.

9781842120927

It talks about his life, his work, achievements, and his influence on people. He has both the ability and incentive to maximize his productivity and his income, because a higher income would place him in a higher social status.
