Rather than 142 American Culture in the 1950s responding to the immediate context of the Sputnik launch, Ellington recalls another recent event, the Little Rock Central High School controversy, as an example to support his criticism of the stalling tactics of congressmen and senators to prevent civil rights measures from being passed.

Images of America Ser.: Building Bartlesville : 1945

The Earth opened and the Cussitaws came out of its mouth, and settled near by. Although symbols of their time, as well as the prosperity of their owners, their designs slightly pale in comparison to the unique modernistic styles that began appearing after 1940.
