## Beyond access: Making Indonesia's education system work

Secondary school net enrolment ratio — Number of children enrolled in secondary school who are of official secondary school age, expressed as a percentage of the total number of children of official secondary school age. PISA 2018 also included the optional assessment of financial literacy which the United States administered.

## Indonesia Private Education Sector

Pre-primary school gross enrolment ratio — Number of children enrolled in pre-primary school, regardless of age, expressed as a percentage of the total number of children of official pre-primary school age. Out-of-school population — Total number of primary or lower secondary-school-age children who are not enrolled in primary ISCED 1 or secondary ISCED 2 and 3 education.

## Education and Adolescents

Vocational Secondary Education: This curriculum was set forth by the Minister of Education and Culture in Decree No. Duration of primary is the number of grades years in primary education. UNICEF, with support from the Department of Foreign Affairs and Trade DFAT, of the Government of Australia, is implementing the Rural and Remote Education Initiative for Papuan Provinces under the Government of Indonesia to tackle this issue and have resulted in an increase in reading abilities of students.

## Primary School Age Education

In the 1995 school year, there were 703 schools teaching special education, with 32,921 students, 7,723 teachers and a student-teacher ratio of 4. Study for a doctorate requires 40 semester credit units and a dissertation which is to be completed in no less than four semesters yet not exceed 14 semesters.

## Primary School Age Education

With Australia, the US and UK ranking among the most popular academic destinations for Indonesian students, a good command of English is more than helpful. Some 80 public and private institutes offered courses in priority sectors and trained 16,000 graduates. In January 2013, the Constitutional Court ruled in their favour, ending the international standard schools policy.
