## Characteristics of the Middle English Language

Middle English began to have a fixed word order.

## Difference Between Old and Middle English

The irregularity of is largely due to that have taken place over the and eras. Hendriksen III:186 Hendriksen reports that relative clauses in Kochi show a greater tendency to have the finite verbal element in clause-final position than matrix clauses do III:188. Celtic Englishes employ the structure more than Standard English.

## Characteristics of the Middle English Language

As students get older and progress with English, it becomes more difficult to correct syntax problems.

## Part 2: Middle English morphology and syntax : Approaches to Middle English

The legitimacy of this evidence has been disputed. For that reason, they exhibit the V2 word order of the equivalent direct quotation. German grammarians traditionally divide sentences into fields.

## The history of the English language

The Middle English was heterogeneous because the words from the Scandinavian and Latin came in. Linguistics: An introduction to linguistic theory.
