Neurotic Depression (a Critical Review)

Cite this chapter as: Isenberg P.

Psychoanalytic Contribution to a Theory of Depression

Neurotic depression: some additional features On the other hand, under Dr. On the other hand, psychotic behavior can be triggered by external factors like drug use or medication.

Neurotic Depression (a Critical Review)

Part Two consists of a comparative study of affective disorders. Use of this website is conditional upon your acceptance of our User Agreement.

Psychoanalytic Contribution to a Theory of Depression

Its target audience, naturally, are other analysts or students of psychology, and in many chapters it reads like a textbook.

Psychoanalytic Contribution to a Theory of Depression

Although we advocate incorporating a psychoanalytic viewpoint to such an approach, we feel this is difficult, since a unified, comprehensive, and precise psychoanalytic theory of depression has not fully emerged. As such, they can have false beliefs about what is happening or have delusions about who someone is.
