Zai qian wang Taiwan de liang bai wan ren zhong, you jin yi ban shi mei you ren he xuan ze yu di de guo min dang jun guan bing, ta men bu ceng xiang dao zhe yi qu shi ji shi nian de sui yue cang sang, ji shi nian de bei jing li xiang. On Liang's opinion, if the emperor directly handled the affairs, then there is no one to be blamed if problems occurred, but if a representative Chancellor handled things then the emperor could have an interpellation against the Chancellor in the case of failure.

S.H.E.

Zhuge Liang, Zhang Fei and led separate forces to reinforce Liu Bei in the attack on Yi Province's capital, , while Guan Yu stayed behind to guard Jing Province. In order to curb the corruption and associated decadences of the local Yi nobility, Zhuge Liang enacted a Legalist policy with strict but fair and transparent laws, and restricted the power of wealthy families. Vietnamese translation: Nguyễn Quốc Thái.
