## Longing For Home

. I was absolutely in love with the characters, and hated the fact that eventually Katie Macauley would be forced to choose between two men she found equally attractive—as did I, her reader.

## Longing For Home

I just wish the writing had made me love the losing party less! They enjoyed a taste of home and felt ready to face the rest of their trip.

## Longing for Home

As Paul says: Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day-and not only to me, but also to all who have longed for his appearing 2 Timothy 4:8. I've read books or seen movies galore about the plight of the Irish during this time in both their homeland and on the streets of New York, but other than the movie Far and Away, and its look at the Oklahoma land rush, I'd not thought about the difficulty the Irish had in facing discrimination in the rest of the country.

## Longing For Home by Sarah M. Eden, Paperback

The characters were easy enough to like, but the conflict of her being in the center of a feud and having such power to make that big of a difference was annoyingly far-fetched for me. Each man saw the importance of land just like Katie did, and each strove to maintain a balance of peace and harmony among neighbors, even when the masses favored only the rise to power of a single side of the argument—theirs! Despite this feud, Katie finds a family among the Irish immigrants and must decide whether to follow her heart in Hope Springs or return back home to gain her father's forgiveness. Why do so many people fall so easily off of our radar and out of our good intentions? Or how his car was totaled while sitting in his parking lot just ten days after we bought it.
