

# Recent developments in spatial analysis - spatial statistics, behavioural modelling, and computational intelligence

Springer - Recent Developments in Spatial Analysis

Description: -

-  
 Karlovac (Croatia) -- History  
 Catholic church buildings -- Croatia -- Karlovac -- History  
 Law and fact -- Korea (South)  
 Appellate procedure -- Korea (South)  
 Civil procedure -- Korea (South)  
 Spatial analysis (Statistics)  
 Geography -- Statistical methods  
 Recent developments in spatial analysis - spatial statistics, behavioural modelling, and computational intelligence  
 -  
 Advances in spatial science  
 Recent developments in spatial analysis - spatial statistics, behavioural modelling, and computational intelligence  
 Notes: Includes bibliographical references (p. [387]-415) and indexes.

This edition was published in 1997

Filesize: 7.73 MB
