However why is it such an issue for other people? Poor or rich, educated or illiterate, these women define their own needs, solve their own problems, and determine the boundaries of their own very real, very viable feminisms. Elizabeth Warnock Fernea, a professor of Middle Eastern studies at the University of Texas, Austin, certainly tries and, in many cases, succeeds. Not only that, but much of the funding for a major women's research center has come from the government. Chief among them to Western feminists--who almost universally believe feminism is impossible for women hidden behind facial veils--is this: Feminism in the Middle East is alive and well.

## In Search of Islamic Feminism (December 29, 1997 edition)

Its the kind of book where you could read about one country, put the book away whilst reading something different, then go back to it. Islam has always been portrayed as a religion that is chauvinistic and uncompromising, static and fixed.

Quotations in the margins amplify the lesson being taught.

**In Search of Islamic Feminism (December 29, 1997 edition)**

So much could be lost in translation. We are taught to think of Islam as a culture wherein social code and religious law alike force women to accept male authority and surrender to the veil. .
