Ten Years After Helsinki: The Making of the European Security Regime by Kari Mottola

We have every hope that the results of these elections will be a further resolve in those two nation members to counter the corruption at the highest level, and we want to congratulate both of those member states of the OSCE for free and fair elections in Europe. And Yeltsin supported our efforts to condemn the Russian use of force.

So I am very proud of the accomplishments of the commission. I have part of that as a prized possession in my home.

CSCE

Connor IV, will be the Senior House Staff Representative at the commission. I thank Senator Young and my colleagues for moving forward this important legislation to combat such illicit activity. The Helsinki Book made me fall in love with Helsinki again.

Chairman Cardin, who also serves as the OSCE PA Special Representative on Racism, Anti-Semitism, and Intolerance, sponsored the first resolution, urging OSCE participating States to adopt an OSCE Anti-Discrimination, Equity, and Inclusion Action Plan, to strengthen the efforts of law enforcement, civil society, and others to tackle discrimination and extremism. As resilient as the Mob proved to be, it pales in comparison to the deeply entrenched corruption in international sports.

It is for its own economic strength and growth, but also for resiliency against the efforts of China on its Belt and Road Initiative, which is trying to infiltrate these countries and convert their way of economy to more of the Chinese system. Finally, witnesses will provide their perspectives on how the new law fits into the broader anti-doping movement and efforts to reform the World Anti-Doping Agency.

One other thing before I yield back and let my friend close. Domestic difficulties finally compelled the former USSR to abandon its long-standing confrontational policy toward the United States, specifically, and the West, generally, thereby redirecting Russian foreign policy to one that is more conciliatory and cooperative than the policies of past years.
