Record Keeping Guidelines in Private Psychotherapy and Counseling Practice, by Ofer Zur, Ph.D., offered by the Zur Institute for Psychologists, MFTs, SWs, Nurses and Counselors

Federal agencies must have a safety and health program that meet the same standards as private employers. If you feel your client is a serious and imminent threat to the health and safety of him or herself or to others, you may report to individuals who you believe could help address the threat, including family members and law enforcement. If possible, bring the conditions to your employer's attention.
