### David Bates

When the object of study happens to be some type of discourse a speech, a poem, a joke, a newspaper article, the aim of rhetorical analysis is not simply to describe the claims and arguments advanced within the discourse, but more important to identify the specific semiotic strategies employed by the speaker to accomplish specific persuasive goals. Another interesting record of medieval rhetorical thought can be seen in the many popular in England and the continent during the Middle Ages, such as 13th century and 's. In recent times, however, the modern colloquial form has been making inroads into areas that have traditionally been considered the province of the modern literary style: for instance most, and popular entertainment on television and radio.

### Intertextuality

Purpose, Practice, and Pedagogy in Rhetorical Criticism Lanham, MD: Lexington Press, 2014. First semester: critical examination of major and selected minor writers from the colonial period through Hawthorne and Melville; second semester: from Whitman and Twain to the present. May be repeated for credit when topics vary.

### What is the difference between form and structure?

The divide between form and content is always an artificial and conditional one, since ultimately attempting to make this division reveals the fundamentally indivisible nature of verbal expression and ideas. When manuals were redrafted in the mid-century, in particular after the 1848

Revolution to formulate a national curriculum, care was taken to distance their approach to rhetoric from that of the Church, which was seen as an agent of conservatism and reactionary politics. While spinning the novel, *Jane Eyre*, Rhys gives her interpretation amid the narrative by addressing issues such as the roles of women, colonization, and racism that Bronte did not point out in her novel otherwise.

For example, birds use , various animals warn members of their species of danger, have the capacity to deceive through communicative keyboard systems, and deer stags compete for the attention of mates. In speeches, as well as in non-verbal forms, rhetoric continues to be used as a tool to influence communities from local to national levels. This moment, captured by photographer Bernie Boston symbolizes the flower power movement.
