## Urban Development

Quickly and at low cost, providing concessional loans and other fiscal incentives for the entrepreneurs, and providing technical assistance for project appraisal and selection of equipment, for example, or in certain areas of management. The city of Esfahan started the satellite town programme in the late 1960s.

## Planning Urged for Nation's Satellite Towns

This again contravenes the demands of Millennium Development Goals which calls for reduction of a billion people living under slum conditions. AS+GG's master plan includes architectural design guidelines for massing and placement of buildings.

## satellite town

Satellite cities are sometimes listed as part of the larger metro area, and sometimes listed as totally independent. Woods says the biggest mistake he has seen in many countries is when everyone from the countryside pours into a few big cities, causing problems such as unemployment, inadequate infrastructure and environmental degradation.

## Satellite city for 80,000 people to be built near Chengu, China

Despite this, he's rather laid back, and is more than accepting of pranks done right back at him in retaliation. He never holds a grudge and sees everything in a humorous way, not seeming to extensively care about anything.

## ヨーロッパの世界遺産(ヨーロッパ・世界遺産リスト)

Dogma: In death, Zijī's followers must come to the steel gates of his after life world and offer an invention.

However, if they wish for his death, Dementia's magic will immediately oblige, killing him.

### **Fantasy**

This, along with his long history as the silent pianist of the Hall of Gods may indicate an interest in music, however that does nothing to temper his reputation among those select few who remember the horrors of his reign.
