With the lines cleared, he was able to make the second hoist. The chapters at the end were excellent in their depth of discussion about the politics of a brave but stretched-thin service.

## Rescue Warriors: The U.S. Coast Guard, America's Forgotten Heroes

Still he managed to get in the water and swim to crewmember Anita Miller. This in-depth and lively look at the history and changing missions of America's 'Rescue Warriors,' should be considered a must-read for anyone who loves the water or cares about the safety, security and stewardship of our nation from sea to shining sea. There was lots of marijuana, hash brownies, we found prescription pills, knives, a few guns.
