The Scottish Parliament

. The project was sponsored by the European Parliament Directorate General V as a fact-finding study on the lives of women over 50 in the countries represented.

Refugee Festival Scotland Assistant with Scottish Refugee Council

Without adaptive action, climate change impacts could cause more frequent power cuts. Having won two successive elections on a commitment to scrap the council tax, the Government has singularly failed to do that. Source: Scottish Government 2006 p31, reproduced under the terms of the Open Government Licence 3.

Archives & Special Collections, Strathclyde

Mrs Eileen Carr MSc Dip HSM Dip PHC JP, Lay Trustee - BASIC Brain and Spinal Injuries Charity. Scottish Environment Protection Agency, Scottish Government, Scottish Natural Heritage, Forestry Commission Scotland Natural Scotland N2-20 Assess and manage coasts, promoting adaptive coastal management that works with natural processes. Scottish Wildfire Forum members N3-7 Publish resources for managers of productive forests to help them develop more resilient forests in a changing climate and in the face of tree health threats.

Scottish Climate Change Adaptation Programme

This was echoed by the AEA, which said that there was the potential for confusion if 16- and 17-year-olds could vote in a health board election, but not in a local authority election potentially on the same day.

Official Report

The total combined value of these landings was £368. As such, it can be said that analyzing other institutions according to the Hjalager 2002 classification can be a methodological analysis tool for future research in the present area of study.

SSA

Lithothamnion or 'maerl' beds are also known to be vulnerable to dredging and offshore, slow-growing deepwater corals areas have exhibited trawl damage. Owner of a Training and Consultancy Company providing training on research ethics to NHS organisations and pharmaceutical companies.
