Echuca National Holden Museum & Holden's History

A milestone 2013 was the first year of the Car of the Future COTF platform. He won the at his first attempt with a margin of over one hour back to second place. In 2001, Skaife repeated championship victory, with four wins in 13 races.

Craig Lowndes

He claimed that he only wanted to secure extra funding for the team. The VHS or DVD box is included. In late 1982, Holden launched its sportiest model, the Commodore SS, available with a choice of 4.

Holden Dealer Racing Team

In reality Holden bankrolled the entire operation and Holden executive John Bagshaw, who was the driving force behind the establishment of the team, created the financial framework which allowed the HDT to be funded without Detroit's knowledge. Despite only one win during the 1985 season in the cars Australian debut which saw Brock win Round 2 of the at Sandown the team missed the opening round at as the car was still in transit from NZ , Brock nearly pulled off an upset podium at , retiring due to a broken three laps from the end of the race while running a strong second behind the much more powerful , driven by 1974 Bathurst winner and German entered by winners TWR. For more of the latest Supercars news.

HOLDEN RACING TEAM NAME TO LIVE ON

Firth would go on to be the chief for touring cars from 1978 to 1981 alongside Frank Lowndes, the father of.

Holden Dealer Racing Team

Lowndes then capped the year off in style, winning the Sydney 500 and taking out the coveted Barry Sheene Medal for the third time at the end of season Gala awards. Winning the title from three other possible contenders in Lowndes, Will Davison and Winterbottom, Whincup ties with the all-time greats on five V8 Supercars Championship titles, equaling Ian Geoghegan, Dick Johnson and Mark Skaife. Brock and Moffat then teamed up in the , finishing 6th at Surfers due to tyre problems, before Brock qualified the No.

Holden Dealer Racing Team

Firth claimed that he personally lost some 55,000 of his own money on the cars with the HDT carrying out almost all of the development work.

The history of Holden

From 1960 to 1968 the Australian Touring Car Championship was decided by a single race, but since 1969 it has been determined by a series, consisting of several events across the country with a visit to New Zealand. A single was entered for and , the car retiring after suffering brake problems, crashing and catching fire. Two Bathurst 1000 events are also held in the same year.

The history of Holden

It is one of a record 16 ARMOR ALL Pole Awards the Kiwi takes during the year. He and Jim Richards also win a controversial Tooheys 1000 at Bathurst when their Nissan crashes out during a late rain storm and the race is red flagged.
