### **WGU COMBO BVC1 & C255 Flashcards**

There were elaborate rules for the stamping of official identification marks on the ballot papers and for the screening of the ballot boxes from the eyes of the officials, but this procedure still left a wide margin for interference with the choice of individual voters. There is therefore a need for an update and urgent review of the Obudu Master plan and the enforcement of development control laws in order to avert the negative environmental implications of rapid population growth and changes in the land use patterns.

### **Political economy of literacy in development : a case study of educational policy in Swaziland**

While belief in the conditions and beneficiaries of election vary even within the traditions themselves, a common set of difficult, and in some cases, unanswered questions underlie this article.
