St. John's Co

I am not a very spiritual person, but standing in a quiet town in Gozo midday — the quiet, the light wind, the beautiful town, the lack of traffic — you feel pretty incredible.

St. John's Co

The annexes on the side of the cathedral were added later and feature the coat of arms of Grand Master António Manoel de Villena who reigned from 1722 to 1736. Located close to the Tarxien temple complex in the modern suburb of Paola, it was discovered by chance in 1902 during the digging of a well.

10 of the Best Crusader Ruins and Monuments

Posted by Chris Towers Hi there, I am Chris and I live on The Island Of Rhodes In Greece. The islands of and , as well as the city of in modern , were granted to the Order by in 1530, following the of. Though part-19th century reconstruction, its huge battlements are nonetheless exceptionally impressive and definitely worth exploring.

Who Are the Knights of Malta — and What Do They Want?

Cancellations received less than 120 days before departure will not receive a refund. He developed a reputation as an artist, and also as a violent man.

A Brief History of Malta

In 1834, the Order, which became known as the , established its headquarters in in , where it remains to this day.
