Cricket

The most notable of the early patrons were a group of aristocrats and businessmen who were active from about 1725, which is the time that press coverage became more regular, perhaps as a result of the patrons' influence. MCC was itself the centre of controversy in the Regency period, largely on account of the enmity between and. Linked in the public consciousness to an upper-class sport, the game never became popular with the general public.

In 2004, the brought first-class cricket to 12 nations, mostly for the first time.

Cricket

A Canadian team toured England in 1887, earning a creditable record of two wins, five losses and twelve draws. The first known game in which the teams use county names is in 1709 but there can be little doubt that these sort of fixtures were being arranged long before that. Hambledon produced several outstanding players including the master batsman and the first great fast bowler.
