2020 Census Residence Criteria and Residence Situations

Specific residence situations are included with the criteria to illustrate how the criteria are applied.

2016 Census Data on Population and Dwelling Counts

A map image of the geographic area is also included.

2016 Census Data on Population and Dwelling Counts

Later in 2018, the Census Bureau will provide the full text of each comment submission letter or email.

1960 Census of Population, Final Population Counts for States.

Land area measurements and population density also are provided.

2016 Census Data on Population and Dwelling Counts

The user notes section documents geographic changes over the past decade. The full text of these comments is included in an appendix since the format did not allow for them to be presented in the table.

City of Kingston

The 2016 Census of Population Program offers a wide range of analysis, data, reference and geographical information according to topics subjects that paint a portrait of Canada and its population. Percentage distributions and percentage change are available to facilitate comparisons between years and geographic areas.
