## **The Arizona Clause: Time for a Second Look?**

Suitable quarters shall be prepared for the confinement of such minors. Parsons, to strike out Section 32, and insert in lieu thereof his amendment. I do not believe in it and I move to strike out that section.

## **LEGAL HISTORY**

The Library of Congress provides access to Journal of the Congress of the Confederate States of America where the formation of the Territory of Arizona from the southern half of the Territory of New Mexico was proposed. The sessions of the Legislature shall be held biennially at the Capitol of the State, and except as to the first session thereof, shall commence on the second Monday of January next after the election of members of the Legislature. They shall perform such duties as are prescribed by this Constitution as may be provided by law.

## **TERRITORIAL LAW**

The Constitution ordained and established a provisional government to remain in force until Congress should organize a Territorial Government. Fourth and Fifth Amendment guarantees had not yet been applied to the states, and some prominent legal thinkers argued that Boyd and Kilbourn were wrongly decided. No religious qualification shall be required for any public office or employment, nor shall any person be incompetent as a witness or juror in consequence of his opinion on matters of religion, nor be questioned touching his religious belief in any court of justice to affect the weight of his testimony.
