Oxford Reading Tree Teaching Support : Primary: Oxford University Press

You can also find much-loved characters like Floppy.

Oxford Reading Tree Teaching Support : Primary: Oxford University Press

Early readers feature stories on situations readers will be familiar with, while some of those aimed at Key Stage 2 will also link into the curriculum. Books like *Splash And Squelch* level 3 and *Paula The Vet* level 6 — from the *Songbirds* series — makes wonderful use of rhyming and rhythmic language. The final three stages are for confident readers who can fully understand what they're reading as well as read proficiently, stage six books typically feature short chapters to challenge children with their reading skills.

Oxford Reading Tree Teaching Support : Primary: Oxford University Press

A division of Oxford University Press, Oxford Reading Tree was first launched back in 1986 with 24 stories aimed at helping children learn to read. The *Floppy Phonics* series is designed to improve fluency as well as be fun to read using phonics children will already know. But there are also some new additions you may spot in their book bags.

To help with this transition many schools may send children home with both stories they have freely picked as well as those from the Oxford Reading Tree. The Oxford levels and the book bands are very easy to match up — what is less clear is the age range, as all children will progress at their own pace.

Oxford Reading Tree Teaching Support : Primary: Oxford University Press

On the Oxford books, you will find both a book band colour and a corresponding Oxford Level. There are also non-fiction books within the Oxford Reading Tree series.

The Songbirds Phonics series was penned by Julia Donaldson and provides easily decodable stories to encourage reading skills further. We recommend that these ideas are used as inspiration, that ideas are undertaken with appropriate adult supervision, and that each adult uses their own discretion and knowledge of their children to consider the safety and suitability.

Oxford Reading Tree: Primary School Literacy resources

What we suggest is selected independently by the Kidadl team. Fireflies is another non-fiction series that links to the wider curriculum.
