Improve Your Paper by Writing Structured Paragraphs

Step 4: Explain or interpret the evidence Now you have to show the reader how this evidence adds to your point. Then choose one or combine two to create your ending sentence. In the original and revised paragraphs below, notice how a topic sentence expressing the controlling idea tells the reader the point of all the evidence.

9+ Paragraph Writing Examples in PDF

On the green strip, write introduce the content of the paragraph. Adequate development The topic which is introduced by the topic sentence should be discussed fully and adequately. As a red light signals a driver to stop, the color red represents the end of the conclusion of that specific paragraph.

Paragraph Writing

I look forward to the smell of a fire and the taste of burnt marshmallows. Hook and Topic sentence A paragraph begins with an optional hook and a topic sentence. While not absolutely necessary, a hook can help your readers begin thinking about your main idea.

Improve Your Paper by Writing Structured Paragraphs

Cover one topic in each paragraph Limit each paragraph or section to one topic to make it easier for your audience to understand your information. It should be as long as it needs to be to adequately cover the main idea. Should you want to read additional articles regarding writing paragraphs, you may also be interested in.

Paragraph Construction

While Revising Go back and look at each paragraph in your essay. Vary the lengths of your paragraphs to make them more interesting. When to start a new paragraph As soon as you address a new idea, argument or issue, you should start a new paragraph.
