**ResoluteReader: Hugo Dewar**

When I was in a phase of going through the general literature on the CPGB, I read this in the British Library and my notebook of the time shows that I made two notes barely covering three lines.

**Communist Party of Britain History, General secretaries, Ideology and summary of main policies, Stance on socialist countries, The Free Encyclopedia**

The name 'Communist Party of Great Britain' was taken up after 1991 by the , initially an group, formed around the publication of and later , and from 2004 by the , originally a Maoist.

**Communist Party of Great Britain : definition of Communist Party of Great Britain and synonyms of Communist Party of Great Britain (English)**
