### Retail Index: Long run series: 1947 to 2019

We think AvalonBay has a very high-quality portfolio of assets focused on urban and transit-oriented suburban areas on the East and West Coasts with a significant moat due to the company's experience, construction footprint, and financial strength. Entertainment United States NextEra Energy 0.

### United States Consumer Index (CPI) MoM

The powerful long-run trends that we believe will drive value creation in the technology sector remain and, in some cases, have been accelerated by the ongoing pandemic. The specific securities identified and described in this website do not represent all of the securities purchased or sold for this fund.

### Godrej Consumer share live today

However, we still think the company has room to grow internationally as the world moves to a hybrid work model on the other side of the coronavirus pandemic.
