H. Rackham, Notes on Aeschylus, Prometheus Vincetus

According to Aristotle, he expanded the number of characters in plays to allow for conflict among them; previously, characters interacted only with the chorus. Christian writers have condemned it, while atheists and Romantics have almost turned it into a manifesto. According to legend, Dionysus, the god of wine and drama, appeared to Aeschylus in a dream and told him to write tragedies, which the seventeen-year-old easily proceeded to do.

Before Aeschylus, drama involved a single actor on stage speaking in monologues while a chorus offered extensive commentary. In Frankenstein, the Promethean daring of creating the creature did not in itself bring a plague to humanity. Unfortunately, only seven of an estimated 70 plays by Aeschylus have survived into modern times; one of these plays, Prometheus Bound, is sometimes thought not to be the work of Aeschylus.

Mercury arriving, threatens him with thunder, unless he disclose the events Which are about to happen to Jupiter; for Prometheus had fore told that he would be driven from his empire by one of his descendants At last the thunder descends, and Prometheus disappears. This naval battle holds a prominent place in The Persians, his oldest surviving play, which was performed in 472 BC and won first prize at the Dionysia.

Aeschylus' Prometheus Bound (Prometheus Vincetus, Prometheus Desmotes): Summary & Analysis

He let the chorus converse with the characters, introduced elaborate costumes and stage designs, and wrote a good deal of material for the stage himself.

Prometheus Vincetus

Biographers enjoy attributing the mysticism of the author's plays to this early influence. A play, *The Persians*, draws on his experience.

He noted: I would prefer that the Greek classics should have Latin or English versions printed opposite. The Association works to promote the teaching of classical languages and civilizations in Canadian schools, colleges and universities, the publication of research in classical studies, and public awareness of the contribution and importance of classical studies, and liberal studies in general, in Canadian education and life. The Classical Association of Canada was founded in 1947 as a national non-profit organization.
