The Spiritual Exercises St. Ignatius of Loyola

Thirteenth Rule: To be right in everything, we ought always to hold that the white which I see, is black, if the Hierarchical Church so decides it, believing that between Christ our Lord, the Bridegroom, and the Church, His Bride, there is the same Spirit, which governs and directs us for the salvation of our souls. Jesuit Resource

It is one of these which has been chiefly employed by the present translator, who has, besides, made frequent use of the Manuscript itself. This translation is clearer and avoids the use of the word addition in a sense not current in English.
