Individualism vs Collectivism

Thus, collectivism should be preferred by default. I would even say that its appeal to emotions fallacy.

Collectivism

He always sends errors into the world in pairs—pairs of opposites. Pro argues in round two that collectivism increases the chances of individual success.

Individualism

Religion demands that disregarding the supernatural powers different groups worship, people must adhere to and follow the teachings offered within their belief systems. Drun 1990 developed a theory that showed the relationship between the Hofstede's 1980 cultural differences of individualism, uncertainty avoidance, power and the beliefs and attitude towards the treatment of modalities.

Collectivism

It advocates that an individual can value his own ambitions, over those of the group that he belongs to. This refers to how social groups define morality and regulate behavior.
