The Geopolitics of 2017 in 4 Maps

All our different cultures will be gone and we will all be come just mere pawns in the NWO of things. Yet the main obstacle to the integration seems to be the policy of so-called multiculturalism or mass immigration from the Third World Africa, Asia, Latin America into the former US-dominated Western Europe.

Creaking at 60

Fall is short and delightful, both clear and colorful, but the winds grow bitter cold again too soon.

Africa: Physical Geography

Supporters of the EU worry that certain aspects of EU integration could be stopped or reversed.

The Senegal gerbil, the most common mammal in the Sahel and measuring only a few centimeters, consumes as much as 10 percent of the Sahel's plants. If the policy of multiculturalism isn't stopped along with the Third World immigration it promotes and isn't completely replaced by the policy of euroculturalism, then, I am afraid, the European Union will remain alive in name only. In Germany, 30 percent of the workforce was unemployed by 1932 and industrial output was halved.
