## Catherine Winkworth: Lyra Germanica: The Christian Year

Our book has Leather Binding on Spine and Corners with Golden Leaf Printing on round Spine. As these are old books, we processed each page manually and make them readable but in some cases some pages are blur or missing or black spots. Still a nice tight reading copy in a fine leather binding which looks better than this description sounds.

## LYRA GERMANICA / THE CHRISTIAN YEAR Antique Victorian Fine Binding

Therefore, you will see the original copyright references, library stamps as most of these works have been housed in our most important libraries around the world , and other notations in the work. By the late Baron Bunsen, D.
