A is reproduced from Ref. In contrast, integrity had only indirect effect on relationship commitment with Chinese consumers, highlighting the importance of consumer trust in the integrity-commitment relationship. Marine biomaterials experience several periods of discovery and development ranging from coralline bone graft to polysaccharide-based biomaterials.

Li Chuntao wen ji (Book, 1985) [ne-x.uni.rf.gd]

This is mainly due to the fact that translations of his writings available in English are mostly limited to his aesthetics. Besides, it should be noted that complex 1 represents so far the highest energy barrier among the pure Dy III 4 SMMs.
